

WHIP Industry Partners Advisory Board Meeting

Industry Partners

Name	Title	Organization	Location
Brian Zachry, PhD	Lead – Storm Surge Risk, Catastrophe Engineering and Analytics	Berkshire Hathaway Specialty Insurance	Boston, MA
Eric Haefli, BQED	Senior Technology Researcher – Strategic Resources Dept., Building Technology Unit	State Farm Insurance	Bloomington, IL
Guido Lori	Research and Development Project Manager	Permasteelisa S.P.A.	Vittorio Veneto, Italy
Karthik Ramanathan, PhD	Assistant Vice President and Principal Engineer	AIR Worldwide	Boston, MA
Adem Chich, PhD	Executive Director of Research and Development	GAF Materials <i>Kevin Chichler</i>	Parsippany, NJ
Parthiv Dangodara, PhD	Global Windstorm Specialist	American International Group (AIG) Inc.	Miami, FL
Peter Dailey, PhD	Vice President, Model Development	Risk Management Solutions <i>Chair</i>	Newark, CA
Christopher Melhauser, PhD	AVP, R & D, Catastrophic Risk Management	SCOR Global Re-ins.	Chicago, IL

National Science Foundation Participants

Andre W. Marshall, PhD	Program Director IUCRC; IIP/ENG Directorate	National Science Foundation	Alexandria, VA
Denis Gray, Ph.D.	Program Assessment Coordinator, NSF	North Carolina State University	Raleigh, NC

Texas Tech University – UPC

Joe Heppert, PhD	Vice President for Research and Innovation	Texas Tech University	Lubbock, TX
David Snow, PhD	Senior Managing Director, Research Commercialization	Texas Tech University System	Lubbock, TX
Amy Cook	Associate Managing Director, Office of Research and Innovation	Texas Tech University	Lubbock, TX

John Schroeder, PhD	Senior Director, National Wind Institute	Texas Tech University	Lubbock, TX
Directors			
Kishor Mehta, PhD	Center Director, P.W. Horn Professor of Civil Engineering	Texas Tech University	Lubbock, TX
Daan Liang, PhD	Site Director, Professor of Civil Engineering	Texas Tech University	Lubbock, TX
Ioannis Zisis, PhD	Site Director, Professor of Civil and Environmental Engineering	Texas Tech University	Lubbock, TX
Faculty			
Xinzhong Chen, PhD	Professor of Civil Engineering	Texas Tech University	Lubbock, TX
Arindam Chowdhury, Ph.D.	Professor of Civil and Environmental Engineering	Florida International University	Miami, FL
Amal Elawady, Ph.D.	Assistant Professor of Civil and Environmental Engineering	Florida International University	Miami, FL
Brad Ewing, Ph.D.	C.T. McLaughlin Chair of Free Enterprise, Professor of Business Administration	Texas Tech University	Lubbock, TX
Seung Jae Lee, PhD	Assistant Professor of Civil and Environmental Engineering	Florida International University	Miami, FL
Ting Lin, PhD	Assistant Professor of Civil Engineering	Texas Tech University	Lubbock, TX
John Schroeder, PhD	NWI Senior Director, Professor of Atmospheric Sciences	Texas Tech University	Lubbock, TX
Doug Smith, PhD	Associate Professor of Civil Engineering	Texas Tech University	Lubbock, TX
Ioannis Zisis, PhD	Associate Professor of Civil and Environmental Engineering	Florida International University	Miami, FL
Delong Zuo, PhD	Associate Professor of Civil Engineering	Texas Tech University	Lubbock, TX
Research Personnel, Participants and Students			
Brian Ancell, PhD	Associate Professor of Atmospheric Science	Texas Tech university	Lubbock, TX
Dejiang Chen, PhD	Research Specialist	Florida International University	Miami, FL

Walter Conklin	Environmental Health and Safety Manager	Florida International University	Miami, FL
Changda Feng, PhD	Research Specialist	Florida International University	Miami, FL
Brian Hirth, PhD	Research Scientist, National Wind Institute	Texas Tech University	Lubbock, TX
Roy Liu-Marques	Research Specialist	Florida International University	Miami, FL
Kevin McGrath	Sr. Principal Scientist	GAF Materials, Inc. <i>Chair</i>	Parsippany, NJ
Pratyasha Patnaik	Graduate Student in Civil Engineering	Texas Tech University	Lubbock, TX
Erica Sherman	Scientist	GAF Materials, Inc.	Parsippany, NJ
Ming Shiao	Principal Scientist	GAF Materials, Inc.	Parsippany, NJ
Yonggong Wang, PhD	Research Assistant Professor of Atmospheric Science	Texas Tech University	Lubbock, TX
